Priority Recommendations / Additional Info
Category Installation information

Symptom

You want to install Adobe LiveCycle Designer 10.4 on your local computer or upgrade your existing installation.

Adobe LiveCycle Designer 10.4 is replacement of LiveCycle Designer 10. Please use LiveCycle Designer 10.4 instead of LiveCycle Designer 10.

Other Terms

Adobe Document Services, ADS, Adobe LiveCycle Designer, SAP Interactive Forms by Adobe

Reason and Prerequisites

You can use Adobe LiveCycle Designer 10.4 with the following versions of Adobe Document Services (ADS):

- SAP NetWeaver 7.31 SP-7 and higher
- SAP NetWeaver 7.40 SP-2 and higher

You can use Adobe LiveCycle Designer 10.4 with older ADS release if corresponding target version is set on template. Refer to SAP note 1317925 for more detail information.

Adobe LiveCycle Designer 10.4 is supported on following operating system:

- Windows XP SP-3 (32bit/64bit)
- Windows Vista SP-1/SP-2 (32bit/64bit)
- Windows 7 (32bit/64bit)
- Windows 8 (32bit/64bit)
- Windows Server 2003 X64 / Windows Server 2003 R2 X64
- Windows Server 2008 X64 / Windows Server 2008 R2 X64

Solution

You can download the Adobe LiveCycle Designer Installer from SAP Service Marketplace:

<http://support.sap.com/installations>

Installations and Upgrades -> Browse our Download Catalog

-> SAP NetWeaver and complementary products

-> SAP NetWeaver

-> SAP EHP1 FOR SAP NETWEAVER 7.3

-> Installation and Upgrade

-> <Choose the relevant combination of operating system and database>

Download the file "67838200102000002405 Adobe LiveCycle Designer 10.4" and unpack it to the local hard disk.

Standalone installation

Double-click the unpacked file "SapAldSetup.exe".

During the installation, the old version of LiveCycle Designer (up to 10.0) is uninstalled.

On the second screen of SAPSetup, SAPSetup shows options to install.

Attention:

As default, only English Help file is installed. If you want to install other language version of Help (German / Spanish / French / Italian / Japanese / Dutch / Portuguese / Swedish), select

corresponding option.

SAP GUI server integration

Adobe LiveCycle Designer 10.4 is supported with SAP GUI Server Release 7.30 and higher.

For more information about the integration on the SAP GUI server, refer to SAP Front End Installation Guide (chapter about adding new SAP front end components to an existing installation server).

Validity

Software Component	From Rel.	To Rel.	And Subsequent
SAP_BASIS	731	731	<input type="checkbox"/>
	740	740	<input type="checkbox"/>
